

# Distributed Mission Training Participants

## Pilot Comments

- “I know a lot of pilots who have drastically improved their skills by visiting DMT, great opportunity to challenge myself.”
- “Multiple presentations with good GCI coordination; having real GCI/ AWACs involved is priceless.”
- “Excellent presentations. The high numbers and maneuvers were great (including high fast flyer profiles). Outstanding support from Mission Directors at console.”
- “Complex scenarios, multiple looks, and repetition - a huge situation awareness builder!”
- “Excellent visual display, great threat displays. It allowed training to high threat SAT which is unable to be accessed in a real flying environment.”
